SQ. Thru 3 - A/Left - Etc.

Step to a Wave - G. Trade - Sw. Thru - B. Run -
Bend Line - HOME.

How you get into the DPT formation is irrelevant, except that it will dictate what movements would be good body flow after the previous call.

You should experiment with different routines from each of the 4 Set-Ups.

As the Outside 2 couples are with Partner, there can only be 4 possible arrangements for the Centre dancers.

This makes resolution significantly easier.
